## **INTRODUCTION**

Montgomery is a thriving community with a rich history, excellent schools, diverse recreation opportunities and a collective commitment to preserving open land and protecting natural resources. The community has successfully merged rural and suburban lifestyles in a cosmopolitan region.

Located in the southern portion of Somerset County – six miles from Princeton University and roughly half way between New York City and Philadelphia – the Township is an historic 32 square mile community with an agricultural heritage. It lies in the Millstone River Valley west of the river and east of the Sourland Mountains. There are several hamlets within the Township: Blawenburg, Harlingen, Belle Mead, Skillman, Dutchtown and Zion.

Montgomery has a rich and varied history. Original settlers, mainly farmers, included those of Dutch, Flemish and Huguenot origins among others. Montgomery played a prominent role in the Revolutionary War, and indeed may be named after Richard Montgomery, a brigadier general who served with Benedict Arnold on the expedition of 1775 against Canada.

Until the mid-1900's, the Township retained its original rural origins, with very little change. At mid-century the Montgomery household population was about 2,350 people. The 1950's saw the start of new housing construction as well as the beginnings of some industry. By the 1970 Census the population was 5,103. Per the 2010 Census, the population was 22,254. According to the 2020 U.S. Census Bureau, the population is 23,690.

Unlike the past, where farming was the dominant occupation, present day Montgomery is home to a variety of businesses and occupations but has retained its rural atmosphere. Montgomery continues to combine a unique convenience of location with the lifestyle features sought by residents and businesses.

Homeowners need to be aware that permits are required for small projects such as finished basements, raised patios, decks and tool sheds. Not having a permit creates problems, especially when the property is sold and a search reveals that work was done and no permit was obtained.

The pantry is managed by the Montgomery Township Community Resource Manager Denise Crowley. She is responsible for connecting people in need in our community with resources available through the County and other organizations.

All visits to the Food Pantry are by appointment only to protect the privacy of all clients and to ensure that we do not interrupt senior programs. The Pantry has non-perishable food and non-food grocery items for Montgomery residents with temporary needs.

To take advantage of the Montgomery Township Food Pantry, please call or email Denise Crowley to make an appointment for an initial visit. You will need to complete an application form that will be reviewed at the initial meeting. At that time, the manager will explain how the pantry works. You will be asked to bring proof that you live in Montgomery Township as well as income documentation. While there is no income eligibility, there is an income verification process. The manager will make copies for her files.

Please be assured that outside of the Montgomery Food Pantry's administrative staff, no one will know about your participation in this program. All information generated is coded by number so your identity is always protected.

Food and non-food grocery items are provided by a very caring and generous community. Donations of food, non-food grocery items and funds are needed on a regular basis. Donations to the Montgomery Township Food Pantry are deductible in accordance with §170 of the Internal Revenue Code.

Volunteers assist throughout the year to help sort donations, stock the pantry shelves, and assist with special program support. Food Pantry visits, volunteers, and donations are by appointment only to protect the privacy of Pantry clients.

This office supports the Planning Board, Zoning Board of Adjustment, Site Plan/Subdivision Committee, Development Review Committee and the Master Plan Committee.

This office accepts all applications for:

- Site Plans (Minor, Preliminary Major and Final Major)
- Subdivisions (Minor, Preliminary Major and Final Major)
- Variances (Use and Bulk), Interpretations and Appeals

Meeting dates for the above boards are available by contacting the Planning Department. Informal Plans (both with and without Professional Review) may be presented to the Planning Board only. There is only one general document used for these above applications, which is the Township of Montgomery Planning/Zoning Application. It is found under “Land Use” on the township website [www.montgomerynj.gov](http://www.montgomerynj.gov)

This office also accepts all correspondence on behalf of any of the above Boards and Committees. On file at the office are the applications, plans, correspondence, minutes of the meetings and any other information that may pertain to the Boards or Committees. Much of this information is available to the general public.

## ZONING DIVISION

This division is charged with the enforcement of the Montgomery Township Land Development Ordinance (LDO) and resolutions of the Planning Board and Zoning Board of Adjustment. This enforcement is done in cooperation with all other Township Departments. Zoning reviews building permits prior to their review by the Construction Department. We also review and issue permits for projects which do not necessarily require building permits, such as on grade patios, walkways, driveway expansion, temporary signs, sidewalk sales and home occupations. All applications to the Planning and Zoning Boards are reviewed prior to hearings.

Zoning is also the source of information for any questions citizens and interested parties may have about the Land Development Ordinance or resolutions. The Zoning Officer is authorized to interpret the LDO, although the Zoning Board of Adjustment can overrule the Zoning Officer's interpretation if an application is made to the Board and a compelling argument is presented.
